

# Melrose Street Beautification Project

Each year Melrose Chamber members and individuals sponsor flower planters that line the main streets of the city during late spring, summer, and early fall. These planters beautify our city and make it look welcoming for both residents and visitors.

We are asking businesses and individuals to sponsor a pot of flowers by donating \$25 to the program. This money goes towards preparing, planting, and maintaining the flowers for the season.

To participate, please fill out the form and send it back to the chamber office along with payment. Sponsors will be recognized in the Beacon in late summer. Please send in your pledge ASAP so that we can plan for a May planting.

We would like to take this opportunity to thank the Beautification Project Business Sponsors from last year. They include:

Bueckers City Sanitation  
Carstens Industries  
Central MN Federal Credit Union  
Chris & Denise Moellentine  
diversiCOM Melrose Telephone
