

Thanks for learning more about the Melrose Royalty Program! Inside this packet, you'll see our official rules and regulations of the candidates along with the rules and regulations for the chosen royalty. We will need a minimum of 5 candidates to hold a pageant. We will crown one Miss Melrose and two Miss Melrose Princesses to represent Melrose in the upcoming year.

The first step is to look through the packet and be sure you qualify and would agree to the rules. Next is to think about the time required. We'll decide as a group when a good day of the week is for practices. Practices will be weekly starting in April and will move to bi-weekly in June and we will add practices as needed. The day of the pageant will be Thursday, June 24th, 2022. If you're chosen as one of three Royalty, we will ask that you participate in several Chamber and city sponsored events throughout the year along with participating in area parades to be an ambassador for Melrose.

As a candidate, you're asked to find a business sponsor. This will help pay for the pageant and costs associated with the program. The pageant itself will consist of a simple group dance with the Little Miss Melrose candidates, a gown walk (don't worry, we will practice lots!), a talent and a fish-bowl question. We're about growth and personal development during the process and we want you to succeed. We'll bring in industry professionals to help with stage presence, your gown walk, tips on your talent performance, keeping calm under pressure and more. We like to say "It's less about the crown, and more about the town." Go in with this attitude and you're already a winner.
